PROGRAMS AND DEGREES

ACADEMIC SEMESTER AND YEAR ABROAD PROGRAMS

LdM offers a variety of **study abroad programs** of different lengths, ranging from Semester and Year Programs to Summer Sessions. Study abroad programs are available at each LdM site (Florence, Rome and Tuscania) throughout the academic year.

LdM ACADEMIC SEMESTER AND YEAR ABROAD PROGRAMS foster awareness and understanding of not only the course topics, but also of Italian culture. Students customize their courses of study according to their academic needs and personal interests, tailoring interdisciplinary paths of study where creativity meets academic dedication.

A special study abroad **STEM program** is offered at LdM Rome, giving STEM and related majors the opportunity of taking rigorous science courses, taught in collaboration with Università Roma Tre, while benefiting from state-of-the-art teaching and research laboratories. Students can also choose to experience local and regional differences within Italy through the LdM one-semester **Three Cities Program**. This study abroad experience connects students to three diverse Italian cities, each with a distinctive identity and culture: Tuscania, Rome, and either Florence (in fall) or Venice (in spring).

LdM INTERNSHIPS offer students the possibility to learn different aspects of working in Italy, a country known for its artisan and small business structure. Internships are available for US credit and in combination with academic courses only. LdM arranges **Art History** internships in the major churches and museums of Florence and Rome as well as internships in **Communications, Event Planning, Web Marketing, Social Media Marketing, Education, Fashion Design and Merchandising, Interior Design, Graphic Design** and **Health Sciences**. In addition, students have the opportunity to carry out service learning (in Italian only). Placement opportunities are limited and vary on each campus.

SHORT-TERM STUDY ABROAD PROGRAMS AT LdM LdM **Summer Sessions** consist of month-long academic courses during June and July. These programs are well-suited for undergraduate students as well as for independent students seeking a meaningful educational experience. Additional summer programs include the **Florence and Southern Italy Restoration Workshops**, the **Archaeological Field School at LdM Tuscania**, the **Marist-LdM Venice Biennale Program**, and a **6-week STEM Program** at LdM Rome.

The three-week **January Intersession** at LdM Florence provides the opportunity for undergraduate students as well as independent or adult students to broaden their academic horizon and to deepen their personal experience with an intensive academic program.
